

Inverlane Marine Services has been established since 1978. As worldwide suppliers of new and reconditioned marine machinery and spare parts,

With 200,000 sq ft, we are the largest stockists of marine equipment in the UK. with a Lloyd's approved workshop.

We also offer clients planned maintenance programmes on machine refurbishments and storage with a 24 hour emergency despatch.

MAIN ENGINE SPARES

Mainly-; SULZER, B & W, MAN with small quantities of other makes.

We have all major parts, such as piston crowns, cylinder covers etc, fully reconditioned in HOLLAND, with covering classification certification and we carry a considerable stock of liners, pistons & cylinder covers in storage at AMSTERDAM.

AUXILIARY ENGINE SPARES

Mainly: RUSTON, MIRLEES BLACKSTONE, PAXMAN, B & W, MAN DORMAN, LISTER, DAIHATSU and for some other makes we carry a small amount of spares such as STORK etc.

COMPRESSORS

We carry a stock of approximately four hundred 400 compressors both air starting & general purpose

Air starting units: *HAMORTHY, HATLAPA, SPERRE, COMPAIR REAVELL, POPPE, and TANABE.*

General purpose: *WILLIAMS & JAMES oil free, HYDROVANE, ATLAS COPCO, BROOMWADE & INGERSOLL RAND.*

We have a number of these units in bare shaft condition, fully rebuilt with covering LLOYDS certificate and ready for despatch.

PUMPS

Our stock of approximately 1200 units covers a large range in both horizontal and vertical units for water, screw displacement for oil, and also some boiler feed and boiler circulating.

We rebuild these to as new condition and supply with covering class certificate.

PURIFIERS

We are carrying a stock of 284 units at present, together with a store full of spares,

ALFA LAVAL MODELS: MAB 103, MAB 104, MAB 204, MAB 205, MAB 206, MAB 207 & MAB 209.

MAPX 204, MAPX 205, MAPX 207, MAPX 209, MAPX 309, MAPX 210 & MAPX 313.

WESTFALIA: OSA 7 & OSA 20

MITSUBISHI models together with other sundry items these are offered rebuilt with class certificate and we also stock many new & reconditioned purifier bowls.

FIRE PUMPS

We stock approximately 80 units, all diesel driven with dual start to meet requirements, some of these are ready for despatch.

MOTORS

These range up to 500 hp both AC & DC and our stock is approximately 1970 units at present.

TURBOCHARGERS:

We stock a number of complete units, BBC, NAPIER, and some B&W together with separate casings, consumable spares, bearings etc

VALVES:

We stock a large range of valves, in bronze, cast iron & steel
